

BIOGASMENA 3rd Project Meeting

Venue

EGE University,
Department of Bioengineering,
Bioenergy & Environmental Biotechnology Research Laboratory
35100 Bornova-Izmir, Turkey
Contact phone number of Prof Nuri Azbar : 0090 532 6477476

Program

23.10.2018

During the day – Arrival at Izmir

24.10.2018

10:00 – 10:10 Welcome speech (Dr. Nuri Azbar)

10:10 – 10:30 Brief overview of BIOGASMENA activities (finished, in-process and to-do)
(Nadiia Nikulina)

Presentation and discussion of work packages

Progress made since the last meeting, problems encountered, planned research activities / expected results which deserve special attention: activities, deliverables, milestones app. 30 Minutes per WP

10:30 – 11:00 **Work Package 2:** CBS (Tunisia) *WP Leader*, LBE (France), Nenufar France), ERM (France), USTO (Algeria)

11:00-11:30 – Coffee break

11:30 – 12:00 **Work Package 3:** EGE University (Turkey) *WP Leader*, Univ. Hohenheim (Germany)

12:00 – 12:30 **Work Package 4:** LBE (France) *WP Leader*, AUA (Greece), Univ. Verona (Italy), Univ. Cairo (Egypt), IMDEA (Spain)

12:30 – 13:00 **Work Package 5:** Univ. Cairo (Egypt) *WP Leader*, USTO (Algeria), Univ. Hohenheim Germany), Nireas-IWRC (Cyprus), CBS (Tunisia), EGE University (Turkey), LBE (France)

13:00 – 14:00 Lunch

14:00 – 14:30 **Work Package 6:** USTO (Algeria) *WP Leader*, Univ. Cairo (Egypt), FnBB (Germany), LBE (France), Euromarket (Cyprus), AUA (Greece), CBS (Tunisia)

14:30 – 15:00 **Work Package 7:** IMDEA (Spain) *WP Leader*, Talos (Cyprus), Nireas-IWRC (Cyprus), FnBB (Germany), Univ. Verona (Italy)

15:00 – 15:30 Organizational, financial and administrative questions

Work Package 1: Univ. Hohenheim (Germany), all partners

15:30 – 15:45 Conclusion

15:45-16:15 Coffee break

16:30-17:30 Excursion through laboratory

25.10.2018

9:00 – 17:00 Field trip to SUTAS Biogas plant

26.10.2018

Departure

Directions from the airport to the university:

By train and metro connection

You can take the IZBAN train from the airport to Halkapınar metro station (walk towards the domestic arrival gate and get on the train in the direction of Aliaga). Get off the train at Halkapınar station and walk through the stairs to Metro. You get on the metro to Bornova, Ege University (in the direction of Evka3). Get off at Ege Universitesi Station and walk towards Bioengineering Department.

By Bus

Also, you can take the public bus (number 204) to Bornova metro station directly (every hour past 40). You can find the bus as soon as you leave the airport building. Once you arrive at Bornova Metro station, you get on the metro to Bornova, Ege University (in the direction of Evka3). Get off at Ege Universitesi Station and walk towards Bioengineering Department.
