ERANET III ED

Online Conference on Biogas Production and Digestate Valorisation From Wastes

17-18th of November 2020

Free registration: [here](#)

Abstracts submission: biogasmena@gmail.com

* Deadline: 12th October 2020

* Max 200 words

Notification of abstracts acceptance: 26th October 2020

Sessions & Keynote Speakers:

- Session 1: Usable substrates for biogas production
Mr. Marvin Scherzinger - Hamburg University of Technology (Germany)
- Session 2: Optimization of biogas technology
Dr. Ir. Ralph Lindeboom – Delft University of Technology (The Netherlands)
- Session 3: Digestate valorisation. Extraction of nutrients
Prof. Ivet Ferrer – Universitat Politècnica de Catalunya-BarcelonaTech (Spain)
